5-Minute Math Problem of the Day

2019-07-31

this resource provides the answers to assignments students complete in 70 times 7 math geometry classwork homework for middle and high school students which is sold separately and supplements the textbook geometry textbook for middle and high school students by 70 times 7 math the assignments are meant to provide students individual practice solving problems taught in their textbooks and to equip them to do well on the corresponding tests there are four classwork assignments to help prepare students for each exam computer based tests and practice tests are available through the habakkuk educational materials website see pages 5 6 for details the classwork homework assignments that this book provides the answers to can also be purchased from the website students should complete one of the assignments weekly and then take the test at the end of the fifth week for homework the 5th week they can correct any errors from previous assignments it is recommended that students be allowed to correct any errors from a homework assignment before the final grade is calculated as this tends to help them to do better on the tests when using the computer based tests and practice tests the grades are calculated automatically each week s classwork will be in the same format as the test if there are let s say 100 problems on an upcoming test students would complete all 100 of those types of problems each week for four weeks although the answers to corresponding problems will differ from one week to the next questions included on the classwork and tests are not randomly selected from the chapters in focus instead they are very comprehensive in that every type of problem students learn about in their textbook or complete as a class on the interactive whiteboard will also be solved individually by students on the classwork assignments and corresponding tests moreover page numbers where students can turn to for help in their textbooks are specified on the footnotes of each page and tutorial videos are available in the electronic textbooks to contact habakkuk educational materials please visit habakkuk net
