## Black Earth: A Journey Through Russia After the Fall

2005-01-17

that black earth is an extraordinary work is for anyone who has known russia beyond question george kennan a compassionate glimpse into the extremes where the new russia meets the old writes robert legvold foreign affairs about andrew meier s enthralling new work journeying across a resurgent and reputedly free land meier has produced a virtuosic mix of nuanced history lyric travelogue and unflinching reportage throughout meier captures the country s present limbo a land rich in potential but on the brink of staggering back into tyranny in an account that is by turns heartrending and celebratory comic and terrifying a 2003 new york public library book to remember black earth is the best investigation of post soviet russia since david remnick s resurrection andrew meier is a truly penetrating eyewitness robert conquest author of the great terror if president bush were to read only the chapters regarding chechnya in meier s black earth he would gain a priceless education about putin s russia zbigniew brzezinski even after the fall of communism most american reporting on russia often goes no further than who s in and who s out in the kremlin and the business oligarchy andrew meier s russia reaches far beyond this russia is one where as meier says history has a hard time hiding readers could not easily find a livelier or more insightful guide adam hochschild author of king leopold s ghost and the unquiet ghost russians remember stalin from the pointless war in chechnya to the wild exhilarating and dispiriting east and the rise of vladimir putin the former kgb officer it s all here in great detail written in the layers the story deserves with insight passion and genuine affection michael specter staff writer the new yorker co chief the new york times moscow bureau 1995 98 meier s knowledge of the country and his abiding love for its people stands out on every page of this book but it is his linguistic fluency in particular which enables mr meier to dig so deeply into russia s black earth the economist a wonderful travelogue that depicts the russian people yet again trying to build a new life without really changing their old one william taubman the new york times book review

## Through Russia

1970-01-01

when german journalist jens mühling met juri a russian television producer selling stories about his homeland he was mesmerized by what he heard the real russia and ukraine were more unbelievable than anything he could have invented the encounter changed mühling s life triggering a number of journeys to ukraine and deep into the russian heartland on a quest for stories of ordinary and extraordinary people away from the bright lights of moscow mühling met and befriended a dostoevskian cast of characters including a hermit from tayga who had only recently discovered the existence of a world beyond the woods a ukrainian cossack who defaced the statue of lenin in central kiev and a priest who insisted on returning to chernobyl to preach to the stubborn few determined to remain in the exclusion zone unveiling a portion of the world whose contradictions attractions and absurdities are still largely unknown to people outside its borders a journey into russia is a much needed glimpse into one of today s most significant regions

## A Journey into Russia

2017-02-15

trieste publishing has a massive catalogue of classic book titles our aim is to provide readers with the highest quality reproductions of fiction and non fiction

literature that has stood the test of time the many thousands of books in our collection have been sourced from libraries and private collections around the world the titles that trieste publishing has chosen to be part of the collection have been scanned to simulate the original our readers see the books the same way that their first readers did decades or a hundred or more years ago books from that period are often spoiled by imperfections that did not exist in the original imperfections could be in the form of blurred text photographs or missing pages it is highly unlikely that this would occur with one of our books our extensive quality control ensures that the readers of trieste publishing s books will be delighted with their purchase our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality this process ensures that the reader of one of trieste publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work we pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers generally trieste books are purchased singly on demand however they may also be purchased in bulk readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

## **Through Russia on a Mustang**

1891

laurens van der post takes us behind the iron curtain of soviet officialdom in a quest to discover the real russia a land full of enigma and secrecy but treasured by its ordinary people

## **Through Russia: from St. Petersburg to Astrakhan and the Crimea**

1874

excerpt from through russia from st petersburg to astrakhan and the crimea in placing these volumes before the public it perhaps not be amiss to preface them with a few words about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

## **Through Bolshevik Russia**

2017-09-15

excerpt from across russia from the baltic to the danube from paris to stockholm is a long distance on the map of europe hut in these days of swift and well arranged transit long distances are easily and rapidly traversed one can cross the continent by rail and by continuous travel make the journey in five days but if he finds rest as well as recreation on the sea and loves a boat he can cross the english channel and go from london or hull to gothenburg and thence b r rail or through the gotha river and the swedish lakes to the capital of scandinavia let no one fancy however

that the german ocean will be untrue to its record boisterous and rude like the ancient teutons it sports with its guests in 110 gentle fashion and brings enemies prostrate before its shrine about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

through russia from st petersburg to astrakhan and the crimea in two volumes vol 2 is an unchanged high quality reprint of the original edition of 1874 hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres as a publisher we focus on the preservation of historical literature many works of historical writers and scientists are available today as antiques only hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future

## **Through Russia**

2017-10-16

presents the numbers one through ten in russian using each number to introduce concepts about the soviet union and russian culture

## **Through Russia**

1874

the young russian men and women who record in these pages the hopes fears triumphs and tragedies their country has undergone in recent years altering their own lives profoundly in the process all come from the first post soviet generation to achieve positions of leadership in russia they report on five challenges central to russia s

survival and stabilization reshaping the state coping with new economic rules striving toward the rule of law building a civil society and preserving the national culture and educational capacity they love their country while understanding all too well the crippling psychological legacy of seventy years of a dictatorship that was both cunning and cruel in dispensing a plausible utopian myth and exacting extraordinary sacrifices in the name of that myth they understand the acute sense of disorientation that overcame all generations when the ussr abruptly dissolved in 1991 and the communist party simultaneously lost much if not all of its power as several of our authors recall it was like waking up one morning and finding yourself a citizen of an entirely different country meanwhile discovering that your parents were not your real parents and that you had acquired a brand new surname

## **Across Russia**

2015-06-25

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

## **Russia Through Women's Eyes**

1996-01-01

when german journalist jens mühling met juri a russian television producer selling stories about his homeland he was mesmerized by what he heard the real russia and ukraine were more unbelievable than anything he could have invented the encounter changed mühling s life triggering a number of journeys to ukraine and deep into the russian heartland on a quest for stories of ordinary and extraordinary people away from the bright lights of moscow mühling met and befriended a dostoevskian cast of characters including a hermit from tayga who had only recently discovered the existence of a world beyond the woods a ukrainian cossack who defaced the statue of lenin in central kiev and a priest who insisted on returning to chernobyl to preach to the stubborn few determined to remain in the exclusion zone unveiling a portion of the world whose contradictions attractions and absurdities are still largely unknown to people outside its borders a journey into russia is a much needed glimpse into one of today s most significant regions

## ***Empire of the Czar***

1990

gathers travel accounts by russian writers visiting the u s around the turn of the century and offers background information on each other

2021-04-24

this book takes the reader on an exciting journey around a fascinating country exploring its culture customs traditions religion geography and climate

## ***Narrative of a Pedestrian Journey Through Russia and Siberian Tartary***

1970

billington describes the contentious discussion occurring all over russia and across the political spectrum he finds conflicts raging among individuals as much as between organized groups and finds a deep underlying tension between the russians attempts to legitimize their new nominally democratic identity and their efforts to craft a new version of their old authoritarian tradition after showing how the problem of russian identity was framed in the past billington asks whether russians will now look more to the west for a place in the common european home or to the east for a new eurasian identity

## **Through Russia**

1921

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

## Russia's Fate Through Russian Eyes

2019-06-21

an important russian economist and politician takes a long view of economic history and russia s development it is not so easy to take the long view of socioeconomic history when you are participating in a revolution for that reason russian economist yegor gaidar put aside an early version of this work to take up a series of government positions as minister of finance and as boris yeltsin s acting prime minister in the early 1990s in government gaidar shepherded russia through its transition to a market economy after years of socialism once out of government gaidar turned again to his consideration of russia s economic history and long term economic and political challenges this book revised and updated shortly before his death in 2009 is the result gaidar s account of long term socioeconomic trends puts his country in historical context and outlines problems faced by russia and other developing economies that more developed countries have already encountered aging population migration evolution of the system of social protection changes in the armed forces and balancing stability and flexibility in democratic institutions this is not a memoir but gaidar points out neither is it written from the position of a man who spent his entire life in a research institute gaidar s long view is inevitably informed and enriched by his experience in government at a watershed moment in history

### ***Through Russia***

2016-05-21

david green decides to travel thousands of kilometres from moscow to vladivostok on the iconic trans siberian line on the train and in the many siberian outposts he stops at he meets a wide range of ordinary russian people from a group of beatles singing babushkas to soldiers and struggling entrepreneurs with situations arising that are at times comical awkward or poignant travelling in third class he learns to adhere to the train s unwritten social codes and to navigate the unfamiliar environment of siberia occasionally shadowed by security agents

### **Journey Through Russia and Siberia, 1787-1788**

1966

during and after the breakdown of the soviet union a wide range of competitors fought to build new political and economic empires by wresting control over resources from the state and from each other in the only book to examine the evolution of russian property ownership in both industry and agriculture andrew barnes uses interviews archival research and firsthand observation to document how a new generation of capitalists gained control over key pieces of the russian economy by acquiring debt ridden factories and farms once owned by the state he argues that although the russian government made policies that affected how actors battled one another it could never rein in the most destructive aspects of the struggle for property barnes shows that dividing the spoils of the soviet economy involved far more than the experiment with voucher privatization or the scandalous behavior of a few moscow based oligarchs in russia the control of property yielded benefits beyond mere profits and these high stakes fueled an intense enduring and profound conflict over real assets this fierce competition empowered the russian executive branch at the expense of the legislature dramatically strengthened managers in relation to workers created a broad array of business conglomerates and fundamentally shaped regional politics not only blurring the line between government and business but

often erasing it
