seeking to advance the scholarship on the sudden change of mood this book presents the other movements in the psalter the reverse movement from praise to lament return to lament after praise and alternation between the two

The 'Uncertainty of a Hearing'

2008-08-31

this study takes lamentations as an integrated unity of form and content and considers the mini acrostic in lam 5 19 20 as crucial for the interpretation of the whole book it applies a holistic approach and a dialogic interpretation to the book of lamentations examining first the extent to which an intrinsic connection exists between the acrostic structure and the content of the book rong reads lamentations as a whole from the angle of the mini acrostic in lam 5 19 20 she explores whether and how this mini acrostic underlines the main themes running through the book moreover rong explores the dialogic interaction among the voices within lamentations and between lamentations and other related communal laments in the hebrew bible on the subjects of mood change and the admission of guilt finally this book examines the significance of lamentations for contemporary suffering individuals and communities

Natural Disasters

2005

a collection of poems expressing movement in theme words and rhythm by a variety of english and american poets

Proverbs

1999-01-01

the old testament books of wisdom and poetry carry themselves differently from those of the pentateuch the histories or the prophets the divine voice does not peal from sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet here scripture often speaks in the words of human response to god and god s world the hymns laments and thanksgivings of israel the dirge of lamentations the questionings of qohelet the love poetry of the song of songs the bold drama of job and the proverbial wisdom of israel all offer their textures to this great body of biblical literature then too there are the finely crafted stories of ruth and esther that narrate the silent providence of god in the course of israelite and jewish lives this third old testament volume in ivp s celebrated black dictionary series offers nearly 150 articles covering all the important aspects of job proverbs ecclesiastes psalms song of songs lamentations ruth and esther over 90 contributors many of them experts in this literature have contributed to the dictionary of the old testament wisdom poetry and writings this volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient near eastern background and their history of interpretation additional articles amply explore the literary dimensions of hebrew poetry and prose including

acrostic ellipsis inclusio intertextuality parallelism and rhyme and there are well rounded treatments of israelite wisdom and wisdom literature including wisdom poems sources and theology in addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches the dictionary of the old testament wisdom poetry and writings is sure to command shelf space within arm s reach of any student teacher or preacher working in this portion of biblical literature

The Sky is Moving

1994-01-01

randomly moving particles is built from two long poems that form its opening and close connected by three shorter pieces the title poem in a kaleidoscope of compelling scenes engages with subjects that include migration placement loss space exploration and current british and american politics it is a clarifying action and reaction between terra and solar system mundanity and possibility taking us from the grit of road surfaces to the distant glimpses of satellites the final poem how do the dead walk combines mythic reach with acute observation of the familiar in order to address issues of contemporary violence it is altogether more dreamlike even in its tangibly military moments grasping as it does at phantoms and intermediate plains andrew motion s expansive new poetry collection is direct in its emotional appeal and ambitious in its scope all while retaining the cinematic vision and startling expression that so freshly lit the lines of his last Essex clay

Resistant Hybridities

2020-11-12

would there have been a renaissance without translation karen newman and jane tylus ask in their introduction to this wide ranging group of essays on the uses of translation in an era formative for the modern age the early modern period saw cross cultural translation on a massive scale humanists negotiated status by means of their literary skills as translators of culturally prestigious greek and latin texts as teachers of those same languages and as purveyors of the new technologies for the dissemination of writing indeed with the emergence of new vernaculars and new literatures came a sense of the necessary interactions of languages in a moment that can truly be defined as after babel as they take their starting point from a wide range

of primary sources the poems of louise labé the first catalan dictionary early printed versions of the ptolemy world map the king james bible and roger williams s key to the language of america the contributors to this volume provide a sense of the political religious and cultural stakes for translators their patrons and their readers they also vividly show how the very instabilities engendered by unprecedented linguistic and technological change resulted in a far more capacious understanding of translation than what we have today a genuinely interdisciplinary volume early modern cultures of translation looks both east and west while at the same time telling a story that continues to the present about the slow uncertain rise of english as a major european and eventually world language contributors gordon braden peter burke anne coldiron line cottegnies margaret ferguson edith grossman ann rosalind jones lázló kontler jacques lezra carla nappi karen newman katharina n piechocki sarah rivett naomi tadmor jane tylus
