Gulliver's Travels by Jonathan Swift. Key features of this book: unabridged original content available in multiple formats: ebook, original paperback, large print paperback, hardcover, and audiobook. Proper paragraph formatting with indented first lines and justified paragraphs properly formatted for aesthetics and ease of reading. Custom table of contents and design elements for each chapter. The copyright page has been placed at the end of the book as to not impede the content and flow of the book. About the book: original publication 1726, the direct and simple parody tale describes four remarkable memoir expeditions of ship's surgeon Lemuel Gulliver in extraordinary lands and societies among them one to the land of Lilliput where minute inhabitants bicker over trivialities and another to Brobdingnag a land where giants reduce man to insignificance and the Yahoos in Houyhnhnmland where talking horses are the dominant species. Written with disarming simplicity and careful attention to detail, this classic is diverse in its appeal for children, it remains an enchanting fantasy for adults. It is a witty parody of political life in Swift's time and a scathing send-up of manners and morals in 18th century England. Gulliver's Travels is one of Jonathan Swift's most notable works. Chapters: 39, words: 105,000. This book is great for schools, teachers, and students or for the casual reader and makes a wonderful addition to any classic literary library. About us: at Pure Snow Publishing we have taken the time and care into formatting this book to make it the best possible reading experience. With more than 500 book listings, we specialize in publishing classic books and have been publishing books since 2014. Enjoy!
