The Bu 2018-10-20

gidget meets s e hinton s 1967 cult classic the outsiders and westside story a saga that begins in today s malibu california population 12 879 as the kids get out of school for spring break and race for the beaches to catch the early south swells the youth of this beloved little oceanside hamlet split into two camps the spoiled trust fund babies living in their mansions and the surfer dudes living at the beach sleeping in their cars or holed up in low rent apartments recalling the socs and greasers in hinton s novel as these two worlds collide amidst the rollercoaster rides of their teenage lives a harrowing drama unfolds against the backdrop of an infamous 30 year old hollywood tv series scandal an iconic love triangle jail time teenage suicide city hall corruption and a series of baffling murders as the pacific surf crashes onto the golden sands of the bu

Back of the Bus 2013-12-26

it s december 1 1955 a boy and his mother are riding the bus in montgomery alabama like any other day way in the back of the bus the boy passes time by watching his marble roll up and down the aisle with the motion of the bus until a big commotion breaks out from way up front with simple words and powerful illustrations aaron reynolds and coretta scott king medalist floyd cooper recount the pivotal arrest of rosa parks at the dawn of the civil

Boston University Hockey 2002

boston university has been synonymous with college hockey excellence for more than eighty years since taking the ice for the first time in 1918 the terriers have fashioned a storied history that has consistently placed the program among the nation s elite boston university hockey chronicles the many national collegiate athletic association eastern collegiate athletic conference hockey east and beanpot championship team moments the myriad accomplishments of individual players and coaches such as rick meagher the bu four jack kelley and jack parker and the overall legacy of achievement by the long line of skaters who have donned the scarlet and white sweaters the illustrations in boston university hockey including many that have never been published elsewhere offer a compelling view of a team that has won more national titles than any other eastern college hockey school

Don't Let the Pigeon Drive the Bus! 2023-04

when a bus driver takes a break he gives the reader just one instruction don t let the pigeon drive the bus but boy that pigeon tries every trick in the book to get in that driving seat he whines wheedles fibs and flatters will you let him drive

The 57 Bus 2017-10-17

the riveting new york times bestseller and stonewall book award winner that will make you rethink all you know about race class gender crime and punishment artfully compassionately and expertly told dashka slater s the 57 bus is a must read nonfiction book for teens that chronicles the true story of an agender teen who was set on fire by another teen while riding a bus in oakland california two ends of the same line two sides of the same crime if it weren t for the 57 bus sasha and richard never would have met both were high school students from oakland california one of the most diverse cities in the country but they inhabited different worlds sasha a white teen lived in the middle class foothills and attended a small private school richard a black teen lived in the economically challenged flatlands and attended a large public one each day their paths overlapped for a mere eight minutes but one afternoon on the bus ride home from school a single reckless act left sasha severely burned and richard charged with two hate crimes and facing life imprisonment the case garnered international attention thrusting both teenagers into the spotlight but in the 57 bus award winning journalist dashka slater shows that what might at first seem like a simple matter of right and wrong justice and injustice victim and criminal is something more complicated and far more heartbreaking awards and accolades for the 57 bus a new york times bestseller stonewall book award winner yalsa award for

Jack Parker's Wiseguys

2018-01-02

over the winter of 1977 78 anyone within
shouting distance of a two mile stretch of
boston s commonwealth avenue from fenway park
to the trolley curve at packard s corner found
themselves pulled into the orbit of college
hockey the hottest ticket in a sports mad city
was boston university s terriers a team so
tough it was said they didn t have fans they
took hostages eschewing the usual recruiting
pools in canada jack parker and his coaching
staff assembled a squad that included three
stars from nearby charlestown then known as
the armed robbery capital of america jack
parker s wiseguys is the story of a high
flying headline dominating national
championship squad led by three future stars
of the miracle on ice the medal round game the
1980 u s olympic hockey team won against the
heavily favored soviet union now retired
parker is a thoughtful statesman for the sport

a revered figure who held the longest tenure of any coach in boston sports history but during the 1977 78 season he was just five years into his reign and only a decade or so older than his players fiery mercurial as tough as any of his tough guys parker and his team were to face the pressure cooker expectations of four previous also ran seasons further heightened by barroom brawls off the ice shenanigans and the citywide shutdown caused by one of the biggest blizzards to ever hit the northeast this season was to be parker s watershed a roller coaster ride of nail biting victories and unimaginable tragedy played out in increasingly strident headlines as his team opened the season with an unprecedented twenty one straight wins only the second loss of the year eliminated the terriers from their league playoffs and possibly from national contention hours after the game parker s wife died from cancer the story of how the team responded coming back to win the national championship a week after parker buried his wife makes a compelling tale for boston sports fans and everyone else who feels a thrill of pride at america s unlikely win over the soviet national team a victory forged on commonwealth avenue in that bitter beautiful winter of 78

The New Goliaths 2022

Well 2019-04-01

a deeply affecting work from one of the important and innovative voices in american health and medicine arianna huffington in well physician sandro galea examines what americans miss when they fixate on healthcare health americans spend more money on health than people anywhere else in the world and what do they get for it statistically not much americans today live shorter less healthy lives than citizens of other rich countries and these trends show no signs of letting up the problem sandro galea argues is that americans focus on the wrong things when they think about health our national understanding of what constitutes being well is centered on medicine the lifestyles we adopt to stay healthy and the insurance plans and

prescriptions we fall back on when we re not
while all these things are important they ve
not proven to be the difference between
healthy and unhealthy on the large scale well
is a radical examination of the subtle and not
so subtle factors that determine who gets to
be healthy in america galea shows how the
country s failing health is a product of
american history and character and how
refocusing on our national health can usher
enlightenment across american life and
politics

Flowering Tales 2021-01-11

telling stories that sounds innocuous enough
but for the first chronicle in the japanese
vernacular a tale of flowering fortunes eiga
monogatari there was more to worry about than
a good yarn the health of the community was at
stake flowering tales is the first extensive
literary study of this historical tale which
covers about 150 years of births deaths and
happenings in late heian society a golden age
of court literature in women s hands takeshi
watanabe contends that the blossoming of tales
marked by the tale of genji inspired eiga s
new affective history an exorcism of
embittered spirits whose stories needed to be
retold to ensure peace tracing the narrative
arcs of politically marginalized figures
watanabe shows how eiga s female authors
adapted the discourse and strategies of the
tale of genji to rechannel wayward ghosts into
the community through genealogies that relied
not on blood but on literary resonances these

these eleventh century voices to trouble
conceptions of history how it ought to be
recounted who got to record it and why
remembering mattered

Northwestern Miller Almanack 1918

the first real exposé of how universities have
trademarked copyrighted branded and patented
everything they do universities generate an
enormous amount of intellectual property
including copyrights trademarks patents
internet domain names and even trade secrets
until recently universities often ceded
ownership of this property to the faculty
member or student who created or discovered it
in the course of their research increasingly
though universities have become protective of
this property claiming it for their own use
and licensing it as a revenue source instead
of allowing it to remain in the public sphere
many universities now behave like private
corporations suing to protect trademarked
sports logos patents and name brands yet how
can private rights accumulation and
enforcement further the public interest in
higher education what is to be gained and lost
as institutions become more guarded and
contentious in their orientation toward

intellectual property in this pioneering book law professor jacob h rooksby uses a mixture of qualitative quantitative and legal research methods to grapple with those central questions exposing and critiquing the industry s unquestioned and growing embrace of intellectual property from the perspective of research in law higher education and the social sciences while knowledge creation and dissemination have a long history in higher education using intellectual property as a vehicle for rights staking and enforcement is a relatively new and as rooksby argues dangerous phenomenon for the sector the branding of the american mind points to higher education s love affair with intellectual property itself in all its dimensions including newer forms that are less tied to scholarly output the result is an unwelcome assault on the public s interest in higher education presuming no background knowledge of intellectual property and ending with a call to action the branding of the american mind explores applicable laws legal regimes and precedent in plain english making the book appealing to anyone concerned for the future of higher education

Baptism and the Baptists

2017-06-20

rafael campo is that rare and exotic hybrid
raved the boston globe a doctor poet with a
sensualist point of view that leads him to
explore the eroticism of healing the laying on
of hands in this unrelenting effort to
humanize the medical profession publishers
weekly campo turns the doctor patient
relationship inside out writing not just of
his attempts to heal but of how his patients
have healed him he writes of campy aurora
dying of love the elderly woman telling of her
trip to the country to pick big as your hands
peaches a hateful addict he wished would die
and gary whom he feared to love contentious
and gossipy and irreverent campo s work
reminiscent of chekhov in the way language
comes up out of the body los angeles times
restores the transcendent power of language to
redeem as throughout the book the narrative
and the narrator only get more luscious out
