The Europeanization of National Foreign Policies towards Latin America 2013-05-07

who shapes the european union s policy towards latin america how has this eu policy modified individual member states relations with the region this book provides a comparative account of seven member states bilateral links with latin america since 1945 in the context of their eu membership and based on the concept of europeanization it illustrates how and why the main architects of this eu policy have been spain and germany in contrast poland sweden and ireland which had little previous interaction with latin america have developed their current relations with that region virtually as a result of their eu membership the united kingdom and france lie in the middle they have been influential in certain policy areas and key periods in history while they have adapted to what is done at the eu level in others practitioners established academic experts as well emerging scholars in the field bring to be bear a novel combination of pioneering research and cutting edge conceptual analysis on this important but neglected area of the eu s foreign relations

Lola Alvarez Bravo 1994

the boston red sox s loss to the new york yankees in the 2003 playoffs has been called the game of the century evidence that the rivalry between the red sox and the yankees was hotter than ever in the wake of that defeat author and boston globe sports columnist dan shaughnessy updated his bewitching story of the curse that laid over the red sox after they sold babe ruth to the hated yankees in 1920 here he sheds light on classic sox debacles from the years before they broke the curse and finally reached the world championship again from johnny pesky s so called hesitation throw to the horrifying dribbler that slithered between bill buckner s legs lively and filled with anecdotes this is baseball folklore at its best

The Curse of the Bambino 2004-08-31

transitions from authoritarian to democratic governments can provide ripe scenarios for the emergence of new insurgent political actors and causes during peaceful transitions such movements may become influential political players and gain representation for previously neglected interests and sectors of the population but for this to happen insurgent social movements need opportunities for mobilization success and survival this book looks at mexico szapatista movement and why the movement was able to mobilize sympathy and support for the indigenous agenda inside and outside of the country yet failed to achieve their goals vis à vis the mexican state

Employment in Metropolitan Areas 1947

from the co author of i would find a girl walking and an award winning true crime television reporter comes the shocking story of debbie flores a las vegas showgirl whose dreams of a dazzling career ended in a nightmare vivacious debbie flores was a college educated washington redskins cheerleader when she headed for sin city it was a smart move for the aspiring showgirl who d soon be making her star making solo debut at the legendary luxor but after the morning rehearsals of december 12 2010 no one saw debbie alive again a cryptic text message she left for her mother led authorities to debbie s charismatic boyfriend jason blu griffith a fellow vegas dancer blu was hiding a terrible secret it involved a rental van bags of cement two plastic tubs and a handsaw when the details of the crime unfolded everyone asked how could a girl with such passion and promise come to an end so violent and unexpected in time the truth would reveal a life more tumultuous than believed and what exactly transpired on debbie s tragic final day would stun the nation includes photos

The Zapatista Movement and Mexico's Democratic Transition 2018

explores how people of faith and goodwill might mark the midwinter season and the christmas festival with integrity and simplicity

human centered management in executive education provides a comprehensive insight on innovation in executive education with a unique global scope the book integrates studies and experiences of 32 distinguished scholars from 15 countries who are working in the development of theories and practices to advance the human centered management paradigm sustainability based quality standards and continuous improvement in education the discussion presents a well balanced outlook that combines and contrasts research and programs from 16 developed and 16 developing countries and the visions of 10 female and 22 male authors from north america south america europe asia the middle east and africa

Directory of Members 1997

the essays in anticipating total war explore the discourse on war in germany and the united states between 1871 and 1914 the concept of total war provides the analytical focus the essays reveal vigorous discussions of warfare in several forums among soldiers statesmen women s groups and educators on both sides of the atlantic predictions of long cataclysmic wars were not uncommon in these discussions while the involvement of german and american soldiers in colonial warfare suggested that future combat would not spare civilians despite these anticipations of total war virtually no one realized the practical implications in planning for war in the early twentieth century

Control of Chagas Disease 2002-05

in our society s aggressive pursuit of cures for cancer we have neglected symptom control and comfort care less than one percent of the national cancer institute s budget is spent on any aspect of palliative care research or education despite the half million people who die of cancer each year and the larger number living with cancer and its symptoms improving palliative care for cancer examines the barriersâ scientific policy and socialâ that keep those in need from getting good palliative care it goes on to recommend public and private sector actions that would lead to the development of more effective palliative interventions better information about currently used interventions and greater knowledge about and access to palliative care for all those with cancer who would benefit from it

Wild Plum 1926

how do the islands and archipelagos of the new world figure in latin american cinema comprising 15 essays and a critical introduction the film archipelago islands in latin american cinema addresses this question by examining a series of intersections between insular spaces and filmmaking in latin america the volume brings together international scholars and filmmakers to consider a diverse corpus of films about islands films that take place on islands films produced in islands and films that problematise islands the book explores a diverse range of films that extend from the chilean documentaries of patricio guzmán to work on the malvinas falkland islands and films by argentine directors gustavo fontán and lucrecia martel chapters focus on rapa nui easter island the mexican islas marías and the panamanian caribbean on ecocritical environmental and film historical aspects of brazilian and argentine river islands and on cuban guadeloupean haitian and puerto rican contexts the film archipelago argues that the islands and archipelagos of latin american cinema constitute a critically interesting analytically complex and historically suggestive angle to explore issues of marginality and peripherality remoteness and isolation and fragility and dependency as a whole the collection demonstrates to what extent the combined insular and archipelagic lens can re frame and re figure both longstanding and recent discussions on the spaces of latin american cinema

Readings on Reading 1969

rosario ferre uses family history as a metaphor for the class struggles and political evolution of latin america and puerto rico in this highly provocative profound and delightfully readable collection of stories originally published in spanish under the title maldito amor cursed love sweet diamond dust introduced american readers to a voice that is by turns lyrical and wickedly satiric in this tale the de la valle family s secrets ambitions and passions interwoven with the fate of the local sugar mill are recounted by various relatives friends and servants as the characters struggle under the burden of privilege the story permeated with haunting echoes of puerto rico s own turbulent history becomes a splendid allegory for a nation s past the three accompanying stories each follow the lives of the descendants of the de la valle family making the book a drama in four parts raising troubling issues of race religion freedom and sex with ferre s trademark irony and startling imagery
