Saint Matthew Island Reindeer-range Study **1959**

general observations on st matthew island and review of microtus abbreviatus based on field work in 1954 and on captive specimens

The Proposed St. Matthew Island Land Exchange 1982

scientific notes and summaries of investigations in geology hydrology and related fields

Proposed Navarin Basin Lease Offering, March 1984 1983

this is an innovative and collaborative life history of one of alaska s pioneering wildlife biologists david r klein has been a leader in promoting habitat studies across wildlife research in alaska and this is his first hand account of how science and biological fieldwork has been carried out in alaska in the last sixty years this book tells the stories of how klein did his science and the inspiration behind the research while exposing the thinking that underlies particular scientific theories in addition this book shows the evolution of alaska s wildlife management regimes from territorial days to statehood to the era of big oil the first portion of the book is comprised of stories from klein s life collected during oral history interviews while the latter section contains essays written by klein about philosophical topics of importance to him such as eco philosophy the definition of wilderness and the morality of hunting many of klein s graduate students have gone on to become successful wildlife managers themselves in alaska and around the globe through the making of an ecologist klein s outlook philosophy and approach toward sustainability wildlife management and conservation can now inspire even more readers to ensure the survival of our fragile planet in an ever changing global society

Navarin Basin Lease Offering 1984

this draft report considers the potential environmental impact on water and air quality marine mammals sea birds local economics and fisheries of several possible levels of exploration for offshore oil and natural gas in the navarin basin bering sea on the outer continental shelf off southwest alaska

On the Biology and Systematic Position of *Microtus Abbreviatus* Miller, a Vole Endemic to the St. Matthew Islands, Bering Sea 1968

outer continental shelf oil and gas activities in the bering sea and their onshore impacts
