Report of the Minister of Public Instruction for the Year ... 1888

sir james somerville 1882 1949 was one of the great influences on the 20th century navy both as a commander of fleets and a pioneer of radio and radar the admiral s extensive correspondence diaries and reports are deposited in the churchill archives centre at cambridge these edited selections reveal much of the background about major naval operations in the second world war the loneliness of high command is clearly revealed in these highly personal documents almost 500 of which are reproduced in the book in particular they show somerville s frequent disagreements with churchill a feature common to all senior british commanders during the war

The Police Manager 2024-01-22
