Passports for All

2008

discover the far north hand in hand with two leading authorities on the arctic this travel guide offers a unique eight day tour of the canadian arctic starting at iqaluit near the head of frobisher bay 2 000 kilometers north of ottawa flying across the line of the arctic circle to resolute and onward to ward hunt island the northernmost airstrip in north america whether you make the journey in person or as an armchair traveler this eye opening book will tell you just what makes this region so extraordinary stager and swain comment on everything that s likely to catch your attention from the air on the ground or in the frigid waters from the lay of the land to the cost of the food from frost polygons to sea smoke from narwhals to snow geese from kayaks to icebreakers from soapstone sculptures to satellite dishes canada north journey to the high arctic makes the best of traveling companions compact informed and lively you ll want to read and reread it as you plan the journey of a lifetime

Canada Moves North

1948

a personal memoir chronicling james woodsworth s experiences living and working in the canadian north west for thirty years he writes about his interactions with indigenous peoples the fur trade and the agricultural settlement of the region a fascinating glimpse into canada s history and the life of a pioneering settler this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Canadian Nordicity

1979

an exploration of how the non native population views the canadian north via four avenues terminology perception circumpolar factors and habitability first part deals with studies of the north in the second part a geographic index helps define the north and in the third part the author establishes links between the perception of the north and economic development by examining artistic production territoriality political structures big business and defence

No Passport

1968

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are

images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Canada North

1992

describes the experiences of european settlers making new lives for themselves in north america

Wild Travelers

1998

finalist for the 2023 trillium book award the world is desperate for cobalt it drives the proliferation of digital and clean technologies but this demon metal has a horrific present and a troubled history the modern search for cobalt has brought investors back to a small town in northern canada a place called cobalt like the demon metal this town has a dark and turbulent history the tale of the early twentieth century mining rush at cobalt has been told as a settler s adventure but indigenous people had already been trading in metals from the region for two thousand years and the events that happened here the theft of indigenous lands the exploitation of a multicultural workforce and the destruction of the natural environment established a template for resource extraction that has been exported around the world charlie angus reframes the complex and intersectional history of cobalt within a broader international frame from the conquistadores to the western gold rush to the struggles in the democratic republic of congo today he demonstrates how cobalt set canada on its path to become the world s dominant mining superpower

Thirty Years in the Canadian North-West

2023-07-18

boys life is the official youth magazine for the boy scouts of america published since 1911 it contains a proven mix of news nature sports history fiction science comics and scouting

Simplified Canadian Passport Renewal

2009

travel north from the upper midwest s metropolises and before long you re up north a region that s hard to define but unmistakable to any resident or tourist crops give way to forests mines or their remains mark the landscape and lakes multiply becoming ever clearer until you reach the vastness of the great lakes how to characterize this region as distinct from the agrarian midwest is the question north country seeks to answer as a congenial group of scholars journalists and public intellectuals explores the distinctive landscape culture and history that define the northern margins of the american midwest from the glacial past to the present day these essays range across the histories of the dakota and ojibwe people colonial

imperial rivalries and immigration and conflicts between the economic imperatives of resource extraction and the stewardship of nature the book also considers literary treatments of the area and arguably makes its own contributions to that literature as some of the authors search for the north country through personal essays while others highlight individuals who are identified with the area like sigurd olson john barlow martin and russell kirk from the fur trade to tourism fisheries to supper clubs finnish settlers to native treaty rights the nature of the north country emerges here in all its variety and particularity as clearly distinct from the greater midwest as it is part of the american heartland

Le Nord canadien et ses référents conceptuels

1988

with his family caught in the crosshairs of a group of brutal killers detective cork o connor must solve the murder of a young girl in the latest installment of william kent krueger s unforgettable new york times bestselling series during a houseboat vacation on the remote lake of the woods a violent gale sweeps through unexpectedly stranding cork and his daughter jenny on a devastated island where the wind has ushered in a force far darker and more deadly than any storm amid the wreckage cork and jenny discover the body of a teenage girl she wasn t killed by the storm however she d been bound and tortured before she died nearby underneath a tangle of branches they also find a baby boy hungry and dehydrated but still very much alive powerful forces intent on securing the child pursue them to the isolated northwest angle where it s impossible to tell who among the residents is in league with the devil but cork understands that to save his family he must solve the puzzle of this mysterious child whom death follows like a shadow part adventure part mystery and all knockout thriller booklist northwest angle is a dynamic addition to william kent krueger s critically acclaimed award winning series
