firsthand accounts from the attorneys and advocates who brought the historic cases and fought to secure the freedom to marry for same sex couples the june 2015 decision in obergefell v hodge was a sweeping victory for the freedom to marry but it was one step in a long process love unites us is the history of activists passion and persistence in the struggle for marriage rights for same sex couples in the united states told in the words of those who waged the battle launching the fight for the freedom to marry had neither an obvious nor an uncontested strategy to many activists achieving marriage equality seemed far fetched but the skeptics were proved wrong in the end proactive arguments in favor of love family and commitment were more effective than arguments that focused on rights and the goal of equality at work telling the stories of people who loved and cared for one another in sickness and in health cut through the antigay noise and moved people not without backlash and not overnight but faster than most activists and observers had ever imagined with compelling stories from leading attorneys and activists including evan wolfson mary l bonauto jon w davidson and paul m smith love unites us explains how gay and lesbian couples achieved the right to marry an exceptional piece of work by courageous and innovative leaders eric h holder jr 82nd us attorney general captures the amazing story of the fight for marriage equality in california and around the country a remarkable journey recounted with truth and eloquence gavin newsom governor of california

Where Did Our Love Go 2013-01-21

where did our love go an anthology of essays written by many major public figures and celebrities will explore the substantive issues related to marital problem in the african american community from the my baby s mama syndrome to the more serious implications of what a generation of single parent households will mean to future generations this comprehensive collection will provide an in depth discourse on the trends and issues that have caused the problematic behaviors within african american relationships to persist with little sign of relief the book will consist of a total of 40 essays divided equally into 4 lifestyle categories single married divorced and widowed to present a wide cross section of perspectives on this subject marriage plays an essential role in maintaining the vitality and character of a community so it is deeply unsettling for many african americans to find that the value of this institution has lost its allure while marriage among african americans has always fallen below the average of other population segments the gap today has grown so pronounced that the subject has sparked an intense national dialogue a 2006 washington post article is marriage for white people created waves of controversy on the issue in 2010

nightline dedicated an entire broadcast to this growing crisis the marriage gap in black america has become such an open secret that it s now the source of endless bad jokes and prime time reality shows the statistics even back this up as according to the u s census 43 3 of black men and 41 9 of black women in america have never been married and the rate of decline is nearly twice the national average marriage is a rite of passage that is fundamental to every culture which underscores the tremendous need for an active dialogue to take place that will lay a foundation for discovery with essays from 50 cent viola davis jabari asim darnell williams faith evans mara brock akil and more where did our love go will ignite the fight for that conversation to begin
