atomic power with god thru fasting and prayer is a short work by the spirited evangelist franklin hall the book describes how prayer during extended fasts can heal the body and soul and bring practitioners greater spiritual power to exalt and glorify jesus christ franklin hall was born in coffeyville kansas in 1909 hall s father died when franklin was only twelve leaving him distraught with both his loss and the responsibility of supporting his mother and five younger siblings during these hard times he looked to the local pentecostal church for guidance the church became a major influence on the lives of the young hall children and their widowed mother who remarried the reverend soon after hall began his own traveling ministry during the great depression but he didn t become well known among evangelicals until the release of his first book atomic power with god thru fasting and prayer

in 1946 in the book hall described his own introduction to fasting and prayer through friendship with a oklahoma family advocating the practice in 1932 he fasted and prayed with them in anticipation of a large revival and at the ensuing event scores of people were healed of all types of afflictions he became convinced of the power of fasting and began to preach its efficacy as he traveled in 1946 a group of holy ghost people began a long session of prayer and fasting lasting between ten and forty days according to hall they experienced a great spiritual awakening some even found healing of physical ailments during the fast as word of the event spread hall found that there was heavy demand for more information about the power of fasting and prayer later that same year hall wrote atomic power the book explores how fasting intensifies prayer by bringing unity and filling us with the glory of god through the combination of these two acts he believed one could enhance their spiritual appetites and curtail their hunger sex and greed appetites thereby uncovering their spiritual atomic power with god that lies available to every christian hall acknowledged that fasting and prayer were not new beyond the multiple examples from the bible and specifically from the life of christ he cited the fasting and prayer of native americans and muslims who abstained from food as a regular part of their devotional exercises in addition to the why of fasting the book explained how one should fast a complete fast hall wrote should last from the time hunger leaves to the time hunger returns usually 21 to 40 days water should be consumed in abundance to clean out the stomach and intestines of waste and when it s time to break the fast hall provided a detailed breakdown of what to eat and when atomic power brought success and notoriety to hall who continued to travel across the country evangelizing to crowds of up to 5 000 people immediately after atomic power he published the fasting prayer in 1947 and glorified fasting the abc of fasting in 1948 he published a total of 17 books during his lifetime hall and his wife helen founded the hall deliverance foundation in the mid 1950s this alliance of churches and ministries followed hall s teachings for fasting and prayer the couple also started miracle word a ministry newsletter that had 24 000 subscribers worldwide at its peak some other evangelists and pentecostals did not agree with hall s teachings still fasting had staunch believers through the 1950s and beyond including some notable evangelists like gordon lindsay william branham and orval jagggers hall s work has now been inspiring christians to explore the benefits of fasting on their physical and spiritual health for over 70 years

and behold i send the promise of my father upon you to obtain the power the commandment given to us by jesus tarry ye in the city of jerusalem your present city until ye be endued with power from on high luke 24 49 must be obeyed many christians claim the experience of acts 2 4 but they have not attained the experience provided for in luke 24 49 the progress so far is fine but the deceiver still has many of us lulled to sleep deluded and self satisfied far from the goal jesus intended for us to reach i once owned an airplane but owning an airplane and getting the motor going so it will take off with its own power are two different things if you have the holy spirit he still may not have sufficient sway in your life for you to have the advanced experience of power and the gifts of the spirit many do not seek god far enough and in quite the right manner to allow the holy spirit to exert his power even though he has been received every evidence points to the fact that the early church and apostles put into practice what the church has failed to do today therefore they had an experience that overshadows ours every single new testament church was founded in fasting and prayer acts 14 23 after jesus said i send the promise of the father upon you he also told them tarry until ye be endued with power where there is a lack of perfection and refinement among god s people as there is today this power and the gifts of the holy spirit cannot very well be received by prayer alone if they can be received in this manner i ask where are they even in the days of the apostles they too found it necessary at times to employ this method to arrest the flesh and become refined in order to receive this power they were in a state of perfection that far exceeded ours today we believe many put into practice the prophet s length fast and obtained the power and gifts without following their example and deeds we are without their mighty experiences consecrated fasting acts as a refining fire to the saint of god and enables him to become purified and cleansed to such an extent he can obtain the power and the gifts of the spirit it actually requires a further process of purification and sanctified living to obtain and retain the gifts of the spirit than otherwise the best means of reaching that goal is to do as paul asked us to do follow him in fastings often this volume endeavors to take what has generally been overlooked and reveal perhaps for the first time in detailed form the secret of the early church it is made so simple and

easy of accomplishment that anyone can have an experience as dynamic as those of any of the apostles and followers of jesus christ
